## LEARNING LIST

### heap

TODO:

[https://blog.csdn.net/gg\\_29343201/article/details/59614863](https://blog.csdn.net/gg_29343201/article/details/59614863)

<https://www.hrwhisper.me/c-dynamic-memory-allocation-and-the-data-struct-of-malloc-and-heap-overflow-attack/>

### stack

**Printf(%d,%s,%u,%i,%f)**

**diff between stack,heap,static in C language**

TODO:

<https://www.jianshu.com/p/3a87e581473a>

### multitask dev in C

### menuconfig

in today's work,
